PROFESSIONAL SUMMARY

Detail-oriented and highly motivated MCA aspirant with a strong foundation in Python, Web Development, and Artificial Intelligence concepts. Passionate about Front-End Development, AI integration, Machine Learning, and modern web applications. Experienced in developing mini projects using Flask, APIs, HTML, CSS, JavaScript, and database technologies. Strong problem-solving abilities, fast learning skills, and enthusiasm for building scalable and user-friendly applications.

TECHNICAL SKILLS

- Programming Languages:** Python, JavaScript, C++, C#
- Frontend Technologies:** HTML5, CSS3, Responsive Design, React Basics
- Backend Technologies:** Flask
- Database:** MySQL
- Developer Tools:** GitHub, VS Code
- Core Areas:** Artificial Intelligence, Machine Learning Basics, Web Development, Front-End Development, API Integration

PROJECTS

- AI Resume Analyzer**
 - Developed an ATS-friendly resume analysis web application using Flask and Python.
 - Implemented resume parsing and keyword-based analysis for better resume optimization.
 - Designed responsive UI for improved user experience and resume score visualization.
- Virtual Classroom System**
 - Built a classroom management mini-project with student and admin modules.
 - Added functionalities for content management, course handling, and user interaction.
 - Used HTML, CSS, JavaScript, and backend integration concepts.
- Weather Application**
 - Created a real-time weather application using API integration.
 - Displayed live weather updates, temperature, humidity, and forecast information.
 - Focused on clean UI design and responsive frontend implementation.

EDUCATION

Degree	Institution	Duration	Score
BBA(CA)	Tuljaram Chaturchand College of Science, Arts and Commerce, Bangalore	2022-2025	CGPA: 5.4

LEARNING & DEVELOPMENT

- Actively learning Artificial Intelligence and Machine Learning
- Practicing Data Structures and Problem Solving in Python
- Exploring Full Stack Development and AI Integration
- Building mini projects for hands-on development experience

SOFT SKILLS

- Problem Solving
- Communication Skills
- Quick Learning Ability
- Team Collaboration
- Creative Thinking

INTERESTS

Artificial Intelligence, Front-End Development, Machine Learning, Robotics, Swimming, Dancing
